

# 5 Day Design Challenges: Innovate Comm Tech

- **There are no rules on what you make**
- **Look at the prompts and make as many or as few images as you want**
- **Respond to the words and questions however you like**
  - You can fly a kite to the moon
  - You can sing your favourite song in a pop can
  - You can whistle and plug your nose at the same time
  - You can dance on the sidewalk between the cracks
  - You can tap your feet, snap your fingers, and eat Rice Krispies
  - You can stare at the last word of the last text you received
  - You can play a video game until your thumbs hurt
  - You can lay on a hill, spread your arms, watch the clouds, and pretend you're a bird
  - You can dance in front of the mirror like your favourite singer
  - **Or... YOU CAN...**

- Fast Food vs Healthy Food
- Fast Food vs Culture Food
- Menu vs Recipe

- Dreams vs Wishes
- Greeting Card vs Postcard

- Books vs Movies
- Book Cover vs Movie Poster

- Serious Message vs Funny Message
- Dark & Moody Illustration vs Light & Positive Illustration

- Earth vs Space
- Humans vs Aliens

- Real vs Fake
- Fantasy vs Reality

- Design a new logo for an existing company
- Design a cool environment

- Create an alternate design on an existing character
  - Examples
    - Spiderman in an Ironman costume
    - Goku wearing a Saitama outfit

- Draw a character in a dynamic action pose
  - Foreshortening will be important
  - Use facial expressions to express an emotion

- Can you think of a fun Design Challenge you would add to the list?
